Docket No. CP2011-51

**USPS NOTICE AND CERTIFICATION
PROVIDED IN RESPONSE TO COMMISSION ORDER NO. 3760
(July 30, 2018)**

The United States Postal Service hereby provides its quarterly notice in response to Commission Order No. 3760 (issued January 26, 2017), along with a signed certification letter from the Postal Service Sales Department, included as Attachment A to this pleading. The Postal Service confirms that it has complied with the requirements of Order No. 661 for all Priority Mail—Non-Published Rates (PMNPR) agreements that took effect during FY 2018, Quarter 3, with one exception.¹ New PMNPR agreements with serial numbers ending 0419-0439 and 0441-0473 were timely filed during Quarter 3.

Finally, the Postal Service respectfully submits the attached signed certification, certifying that the Postal Service Sales Department has identified all PMNPR agreements in effect during FY 2018, Quarter 3, to the Postal Service Law Department.

¹ As noted in the Postal Service's Motion for Late Acceptance regarding PMNPR agreement with serial number ending in 0440, the notice for that agreement was not filed within ten days of the effective date because of an internal miscommunication regarding the agreement's effective date. The error was caught in the Postal Service's regular cross-functional review of PMNPR agreements, and notice was filed immediately thereafter.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
